Access to doctors and therapists anytime, anywhere!

 **via web or mobile app**

medical health services

General Medical – \$0 unlimited visits

Convenient, high-quality virtual healthcare available 24/7 from U.S. board-certified neighborhood doctors via phone or video.

12 Annual Mental Health Sessions + \$0 unlimited in-the-moment care crisis sessions

Members have access to licensed mental and behavioral health professionals for continuity of care for \$50. All benefits apply to immediate family members.

Tele-Dermatology – \$0 unlimited visits

U.S. board-certified dermatologists review images and provide diagnoses and treatment plans.

1000 Free Acute Meds – \$0 cost

Complete formulary list of the most commonly prescribed acute medications. Members can shop and compare nationally and internationally for medication not on the free list in their member portal or phone app. They can also apply for prescription assistance for drugs costing over \$200.

Wellness Coaching – \$0/6 visits per family member per year

In-depth nutrition consultations & personalized guides for member-specific needs.

Laboratory Testing – LabCorp & Quest Diagnostics

Members can schedule lab testing at pre-negotiated rates through their member portal. Then, access doctors to interpret test results and prescribe a treatment plan if necessary. If the needed treatment is on the free acute medication list, the treatment is Zero-cost to the member.

Clinic Visits – Minute Clinics & Urgent Care

Members can schedule clinic visits for specific physical needs at pre-negotiated rates and pre-pay for the cost of the visit through the member portal or phone app.

FAQ's

Group Requirements.

Who is eligible?

All employees/members are eligible regardless of the number of hours worked.

What is the group size minimum?

Two or more enrolled employees or members, regardless of group size.

What is the cost?

This is an employer-paid benefit. The employer will be billed each month for the total number of employees who are enrolled in the program. The program is portable at the employee's expense if they choose to keep it by contacting EasyCare2go directly within 30 days after termination of employment.

What form of payments are accepted?

4

Credit/Debit card, business check, and ACH are the forms of payment accepted. Because this is a group product, we will bill the employer each month for all enrolled employees. Many employers will payroll deduct the EasyCare2go per employee per month cost if they are cost-sharing with their employees.

What is the enrollment process?

STEP 1: Fill out the online [New Group Form](#)

STEP 2: Sign the service agreement sent via DocuSign

STEP 3: Send us the employee eligibility data via the following methods:

- Manual entry through our client portal (groups with fewer than 25 enrolled lives)
- One-time census file
- EDI file feed (groups over 100+ enrolled lives)

How long is the service agreement for?

The service agreement is renewable every 12 months. Upon the anniversary, a group may terminate coverage with a letter/email identifying the requested date of termination.

FAQ's

EasyCare2go Services

What is Hybrid Virtual Healthcare?

The ability to connect with a doctor, dermatologist, or mental health provider from anywhere via phone or video. Physically access laboratories, clinics, dentists, and vision care providers as needed.

What is the EasyCare2go Hybrid Bundle?

EasyCare2go is a mobile virtual care app and member portal providing convenient access to high-quality hybrid virtual healthcare services via phone, video, or physical location.

The EasyCare2go Hybrid Bundle includes:

- **General Medical:** Unlimited virtual consultations with a board-certified licensed doctor via phone or video, 24 hours a day/7 days a week/365 days a year.
- **Mental Health:** 12/50 minute scheduled visits via phone or video with a mental health provider of your choice for a flat \$50 fee unlimited **Zero-Cost In-The-Moment-Care** crisis intervention. **Immediate family included.**
- **Tele-Dermatology:** Upload photos of your skin condition to the app and get a treatment plan from a dermatologist within two business days.
- **Free Acute Medications:** Full formulary 1000 acute medications. Members can shop and compare nationally and internationally for medication not on the free list in their member portal or phone app.
- **Wellness Coaching:** Members work directly with registered coaches and dietitians who assess clinical nutrition needs and develop personalized programs, including smoking cessation, lifestyle changes, and weight loss.
- **Laboratory Testing:** Schedule lab testing at LabCorp or Quest Diagnostics through your member portal. Access doctors to interpret test results and prescribe a treatment plan if necessary.
- **Clinic Visits:** Schedule MinuteClinic and Urgent Care visits for specific physical needs through your member portal or phone app. Service is limited to locations nationwide.
- **Hygiene Benefits:** upgrade plan with discounted dental, vision, LASIK, hearing, and virtual veterinary care for total family protection.

FAQ's

EasyCare2go Services

What is the value to your employer's?

The EasyCare2go Hybrid Bundle is an affordable tool to help employees/members reduce healthcare costs. Decrease absenteeism, increase morale, and create a unique healthcare recruiting tool for new employees and retention.

What is the value to your employees?

The EasyCare2go Hybrid Bundle provides access to a full line of high-quality virtual care services from a single app or member portal. The intuitive, easy-to-use platform also provides exclusive smart tools to help members compare prescription prices, find providers near their current locations, and access the EasyCare2go app in their moments of need. With services including a Virtual Medical visit at 2 a.m., ongoing visits with a mental health provider, free prescriptions, laboratory testing without a three-week wait, clinic visits as needed, and physical hygiene services, EasyCare2go is the complete solution to driving better healthcare decisions.

6

Does this replace my group health insurance?

No, EasyCare2go is not an insurance product, and it does not meet the minimum requirements for coverage under the Affordable Care Act. EasyCare2go provides high-quality non-emergency healthcare services that can be offered to any employee; health insurance is not required.

Can dependents access EasyCare2go?

Yes, spouses/domestic partners and dependents have access to EasyCare2go. Enrollment of dependents can be added directly on the app or the web portal by the employee, member, or policyholder if being used to complement an existing insurance policy. Dependents over the age of 18 will have their own access to the EasyCare2go app and services.

What reporting will be available to the employer?

Detailed utilization reports are generated monthly .

What support will I receive?

All EasyCare2go groups receive a dedicated Client Success Manager (Healthcare Liaison) who provides everyday support and will help develop a personalized marketing campaign to gain enrollment, engagement, and utilization of the services.
